

8TH CLBS SYMPOSIUM 2022

HPB Oncology and Liver Transplant

organised by
Max Centre for Liver and Biliary Sciences
Max Super Speciality Hospital, Saket

16th to 18th
September, 2022

Auditorium, Max Super Speciality Hospital,
(West Block) Saket, New Delhi

PROGRAMME SPONSORS

HIGHLIGHTS

Vascular Surgery
Workshop

Poster Presentation

Video Demonstration
(Minimally Invasive
Donor Hepatectomy)

INVITATION

Dear Colleagues,

Nothing can replace "in person" interaction during scientific meetings. With that thought in mind and the COVID-19 Pandemic largely behind us, it gives me great pleasure to invite you to the 8th edition of CLBS Symposium in New Delhi.

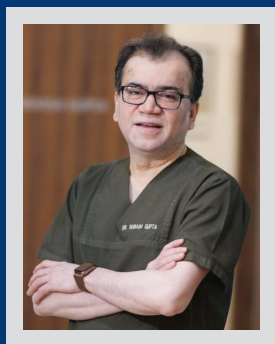

The theme for this year's symposium is **"HPB Oncology and Liver Transplant"**

Management of HPB Malignancy still remains a complex undertaking partly due to the anatomical location of the tumour and partly due to late presentation. Underlying Cirrhosis, further complicates the matter. During the last 2 decades, Liver Transplant has become the standard of care for HCC in cirrhotic patients who present with tumours within the accepted criteria. In the last few years the survival benefit of liver transplant has been extended to HCC beyond the traditional criteria and non HCC malignancies such as Cholangiocarcinoma, Colorectal Liver Metastasis and Neuroendocrine tumours.

Numerous controversies still persists in this newly emerging field of Transplant Oncology. Therefore, we at CLBS have chosen this topic as the theme for this year's CLBS symposium. We expect some very interesting discussions and debates that would be in interest to Surgeons, Physicians, Medical and Radiation Oncologist, Intensivists and Radiologists.

We therefore request you to block your dates for the 8th CLBS Symposium, we will be honoured and delighted, if you could participate in person and encourage the rest of your department to attend the meeting.

Yours Sincerely,

Prof (Dr.) Subhash Gupta

Chairman

Max Centre for Liver & Biliary Sciences

Max Super Speciality Hospital,

Saket, New Delhi

Centre for Liver and Biliary Sciences (CLBS)

Centre for Liver and Biliary Sciences (CLBS) at Max Super Specialty Hospital, Saket is one of the largest liver transplant program in the world. The centre performs more than 250 liver transplants annually and has accumulated an experience of more than 3500 Liver Transplant Surgeries. The Centre also performs variety of complex Hepatobiliary and Pancreatic Surgeries and is at the forefront of HPB Oncology.

We as a Team of Surgeons, Anaesthetists, Intensivists, Radiologists and Nurses have been involved in the care of the patients with Liver Disease and Transplantation since 1998, when Liver Transplantation was a rare in India. The Centre has been growing ever since and has made significant contributions the field of Liver Surgery. It has been a great accomplishment of the team to have trained many aspiring Liver Surgeons and has helped in establishing various Liver Transplant Units across the globe. Many teams including the teams from USA, Malaysia, Kenya, Kazakhstan, Myanmar, Pakistan, Nepal, Bangladesh have been trained. Such teams from India also have been encouraged notably from the centres like ILBS New Delhi, SMS Medical college Jaipur, Cuttack Medical College, Bangalore Medical College and King George's Medical University Lucknow. It gives a great pride to know that many of our trainees have continued the work in the field of Liver and Transplant Surgeries and have established themselves across the world.

CLBS is involved in care of patients from over 20 countries. It is a special place to many as it offers world class facilities and treatment options at par with best International Centres anywhere, but at a much affordable cost and with consistent results. Over the years the team has pioneered in Living Donor Liver Transplantation and HPB Oncology in India and has introduced a numerous innovations to make the surgery safe and to improve the outcomes of these complex procedures.

CLBS has always focussed greatly in training the next generations and impart knowledge and hold a platform to exchange information and share experiences with one another. With an aim to encourage and bring all the people involved in this field, our constant effort has been to expand this platform to invite scientists, physicians, surgeons, and trainees to participate in these Annual Conferences, which has been extending its reach every year. The COVID pandemic has affected all of us in many ways, but we still would like to continue our pursuit of knowledge and play our role in bringing the Transplant Community together.

The 8th CLBS Symposium is being held from 16th to 18th September, 2022 and the theme of this year's scientific meeting is "HPB Oncology and Liver Transplant. Liver Transplant has assumed a pivotal role in the management of Hepatocellular Cancer, few Biliary Cancers and Liver Metastases from non – hepatobiliary malignancies. As such, topics related to HPB oncology and role of Liver Transplant would be discussed in detail along with emphasis on down staging and management of recurrences. The sessions have been planned in a manner to promote close interaction and exchange of ideas between Liver Transplant Surgeons, Hepatologist, and Oncologist, that would ultimately benefit the medical field. We have invited leaders and eminent people in their respective field and we hope this Symposium would be a great platform to learn from their experience.

Moving out of this COVID Pandemic, the Organizing Team of 8th CLBS Symposium invites you all to participate in this meeting and eagerly look forward for your attendance.

This year's meeting will have a physical format only.

ORGANISING COMMITTEE

Dr (Prof.) Subhash Gupta
Organising Chairman

Dr Shaleen Agarwal
Organising Secretary

Dr Sanjiv Saigal
Scientific Advisor

Dr M Rajgopal Acharya
Organising Secretary

- Dr. Abhijith Jagdale
- Dr. Abhishek Agarwal
- Dr. Abhishek Deo
- Dr. Alok Pandey
- Dr. Anupam Purkayastha
- Dr. Aswin R Krishnan
- Dr. Bharat Agarwal
- Dr. Danny Joy
- Dr. Dibiya Jyoti Das
- Dr. Eishan Aryan
- Dr. Gaurav Kumar Maurya
- Dr. Hetal Pampaniya
- Dr. Inbaraj Balradja
- Dr. Jagadeesh Krishnamurthy
- Dr. Joshy Joy
- Dr. Kaushal Madan
- Dr. Mukesh Kumar
- Dr. Raghav Nayar
- Dr. Rajesh Dey

- Dr. Rohith Srinivas
- Dr. Ruchi Rastogi
- Dr. Shahnawaz Kaloo
- Dr. Shekhar Jadaun
- Dr. Sherin Rasalam
- Dr. Shweta Singh
- Dr. Sumit Goyal
- Dr. Sushant Bhatia
- Dr. Tejal B
- Dr. Vaibhav Nasa
- Dr. Vibha Varma
- Dr. Vijaykant Pandey
- Dr. Vikram Kumar
- Dr. Vikas Moond
- Dr. Vikas Singla
- Dr. Vivek Medabalimi
- Dr. Vivek Saxena
- Dr. Vivek Yadav

- Dr. Vivek Vij

SCIENTIFIC PROGRAM

Day 1 - Friday, 16th September 2022

TIME	TOPIC	SPEAKER
09.00am - 9.30am	Breakfast	
12.30pm - 13.00pm	Inauguration and Welcome Address	
13.00pm - 14.00pm	LUNCH	
Oncogenesis and Diagnosis		
Session 1	Invited Faculty: Dr. Vivek Raj, Dr. Anjali K Gupta, Dr. Sandeep Vohra, Dr. Ajitabh Srivastava, Dr. Abhishek Agarwal	Speaker
14.05pm - 14.25pm	Oncogenesis in Chronic Liver Diseases (HBV, HCV, PSC, NASH)	Dr. S K Acharya
14.30pm - 14.50pm	Screening and Surveillance for Malignancies in Chronic Liver Disease	Dr. P Kar
14.55pm - 15.15pm	SOL in Liver: Radiologic Algorithm	Dr. Ruchi Rastogi
15.20pm - 15.40pm	Biopsy or not to Biopsy in Primary Liver Malignancy	Dr. Kaushal Madan
15.45pm - 16.05pm	Tea Break	
Session 2	Invited Faculty: Dr. Kaushal Madan, Dr. Giriraj Bora, Dr. Shefali Sardana, Dr. Arun V, Dr. Sandeep Batra	Speaker
16.10pm - 16.50pm	Debate: LTx for Hilar CCA	For Dr. Bala Chandran Against Dr. Vivek Vij
17.00pm - 17.40pm	Panel Discussion: Liver Transplant for Neuroendocrine Tumours	Moderator
	Panel Members: Dr. S Sreejith, Dr. Vachan Hukkeri, Dr. Shabeer Ali, Dr. Selva Kumar	Dr. M Srinivas Reddy

SCIENTIFIC PROGRAM

Day 2 - Saturday, 17th September 2022

TIME	TOPIC	SPEAKER
Staging and Management		
09.00am - 9.30am	Breakfast	
09.30am - 09.40am	Welcome Address	
Session 3	Invited Faculty: Dr Ruchi Rastogi, Dr Vikram Kumar, Dr Abhideep Chaudhary, Dr. Kauser Makki, Dr K J Singh, Dr. Vasudevan	Speaker
09.45am - 10.05am	Staging Systems for HCC	Dr. Sanjiv Saigal
10.10am - 10.30am	Staging of Hepatoblastoma Impact and Outcome	Dr. Neerav Goyal
10.35am - 10.55am	Dominant Stricture in PSC - How to Proceed?	Dr. Ravichand Sidachari
11.00am - 11.20am	CCA Masquerades	Dr. Biju Pottakat
11.25am - 11.45am	Tea Break	
Downstaging Protocols		
Session 4	Invited Faculty : Dr. Shahnawaz B Kaloo, Dr. Priyanka Singh, Dr. Kshitij Sisodia, Dr. Hitendra Garg, Dr Sanjay Sharma, Dr Rashi Agarwal	Speaker
11.50am - 12.10pm	Downstaging for HCC within UCSF and Milan Criteria - Does it make a difference?	Dr. Sunil Taneja
12.15pm - 12.35pm	Role of Interventional Radiology - TACE versus TARE as a Downstaging Modality	Dr. Shahnawaz B Kaloo
12.40pm - 13.00pm	Role of SBRT in Downstaging	Dr. Jaskaran Singh Sethi
13.05pm - 13.25pm	Liver Resection as a Downstaging Protocol	Dr. Giriraj Bora
13.30pm - 14.00pm	Ethics in Surgery	Dr. Jagdeesh Krishnamurthy
14.00pm - 14.30pm	LUNCH	

SCIENTIFIC PROGRAM

Day 2 - Saturday, 17th September 2022

TIME	TOPIC	SPEAKER
Management of HCC with Cirrhosis		
Session 5	Invited Faculty: Dr. Sanjiv Saigal, Dr. Shyam Sunder Mahansaria, Dr. Vivek Saxena, Dr. Nikhil Agrawal, Dr. Abhishek Deo, Dr. Sanjay, Dr. Yuktansh Pandey	Speaker
14.35pm - 14.55pm	Preoperative Biliary Decompression	Dr. Vikas Singla
15.00pm - 15.20pm	Assessment and Augmenting Remnant Liver Volume	Dr. Mohd. Nayeem
15.25pm - 15.45pm	Liver Resection in Cirrhosis	Dr. Rajesh Dey
15.50pm - 16.30pm	Debate: Liver Transplant for Advanced HCC (with PVTT)	For Dr. Prashant Bhangui, Against Dr. Naimish Mehta
Recurrence Prevention		
Session 6	Invited Faculty: Dr. Arun K ML, Dr. Jaspriya Bal, Dr. Mohammed Nayeem, Dr. Bhuvan Chugh Dr. Vikas Goswami	Speaker
16.40pm - 17.00pm	Intraoperative Measures	Dr. Ramdip Ray
17.05pm - 17.25pm	Tailoring Immunosuppression	Dr. Manav Wadhawan
17.30pm - 17.50pm	Surveillance Protocol for HCC Recurrence Post LT	Dr. A.C. Anand

SCIENTIFIC PROGRAM

Day 3 - Sunday, 18th September 2022

TIME	TOPIC	SPEAKER
09.00am - 9.30am	Breakfast	
09.30am - 09.40am	Welcome Address	
Liver Transplant for Metastatic Disease		
Session 7	Invited Faculty: Dr. Shaleen Agarwal, Dr. S Sreejith, Dr. Sudeep Khanna, Dr Priyaranjan, Dr Sumesh Kaistha, Dr Vivek Mangla	Speaker
09.45am - 10.30am	Debate: Liver Transplant for Colorectal Metastases?	For Dr. Sujoy Pal Against Dr. Sonal Asthana
10.35am - 10.55am	Liver Transplant for Non-colorectal Non-neuroendocrine Liver Mets	Dr. Gaurav Chaubal
11.00am - 11.20am	Newer Techniques for Metastatic Disease: ALPS / Rapid / APOLT	Dr. Shivendra Singh
11.25am - 11.45am	Tea Break / Miscellaneous	
Session 8	Invited Faculty: Dr. Vikram Kumar, Dr. Raman Girn, Dr. Vidyut Bhatia, Dr. Nivedita Pandey	Speaker
11.50am - 12.10pm	Is ABOi LT Indicated for Malignancy?	Dr. V Pamecha
12.15pm - 12.35pm	HCC in Pediatric Patients	Dr. Ramandeep Singh Arora
12.40pm - 13.00pm	Liver Transplant after Treated Malignancy	Dr. Amit Rastogi
13.05pm - 14.05pm	LUNCH / Miscellaneous	
Session 9	Invited Faculty: Dr. Amir Mushtaq Parray, Dr. P. K. Mishra, Dr Rajesh Dey, Dr. Shekhar S Jadaun	Speaker
14.10pm - 14.30pm	PTLD after Liver Transplant	Dr. P K Das
14.35pm - 14.55pm	Surveillance, Diagnosis and Management of Malignancies Post Liver Transplant	Dr. Nitesh Rohtagi
15.00pm - 15.20pm	Managing HCC with Bile Duct Tumour Thrombus	Dr. Ravi Mohanka
15.25pm - 15.45pm	Immunotherapy in Metastatic HCC	Dr. Bhuvan Chugh
Vote of thanks		

REGISTRATION FORM

Please fill in CAPITAL Letters

Prof./Dr./Mr./Mrs./Ms.: _____

Postal Address: _____

Mobile No.: _____ Tel. No.: _____

Email id: _____

Age: _____ Gender: _____ Medical Council Reg. No.: _____

- Registration free upto 30th August, 2022
- Only registered candidates will be allowed to attend conference on all 3 days.
